

Dhruv Chandak

"I'm a second-year Computer Science Engineering student at The LNM Institute of Information Technology, Jaipur. I have a strong technical background and a passion for innovative solutions. I'm actively expanding my skills in software engineering and possess strong communication and leadership abilities."

Projects

Payments Application

- Developed a payments application allowing users to transfer money to others and add funds to their own wallets, ensuring transactional atomicity through DBMS.
- Tech Stack: MERN Stack and TypeScript
- Features: Money transfer between users, Wallet fund addition
- January 2024
- Project Url: payment-software.vercel.app
- GitHub Repo: <https://github.com/dhruvchandak30/payment>

College Website

- I served as both a member of the development team and the team lead for our college website project, overseeing a 10-member team. My role involved coding, content organization, collaboration with faculty, and data collection. This experience enhanced my leadership and project management skills, while also allowing me to contribute hands-on as a developer.
- October 2023 - January 2024
- Project Url: [LNMIIT Website](https://lnmiit.ac.in)
- GitHub Repo: <https://github.com/dhruvchandak30/lnmiit>

Other Projects

- Object Detection using OpenCV (Demoed in Two National Level Hackathons)
- Carbon Footprint Calculator
- Movie App
- College Cultural Fest website - [Vivacity](https://vivacity.in)
- In Top Participants of Hacktober Fest 2023

Educational Background

Bachelors in Computer Science Engineering

The LNM Institute of Information Technology
Jaipur
2022-2026
CG: 7.27

Higher Secondary Education

Mount Litera Zee School
Nagpur
2020-2022
93%
